

# Training Plan

## Training Plan

Applicants should answer every question as fully as possible on this form.

## Further Training needs

Please outline your further training needs and how these will be met during the course of your programme.

---

---

---

## Adapting your Project in case of delays

Please describe ways in which your research project could be adapted to avoid delays in completion.

---

---

---

## Related Data and Feasibility of the Study

Please outline how any data sets to be used in the study will be delivered in a timely manner and confirm what contingency plans are in place to ensure the completion of your PhD if there are delays with these. If the data has been generated by another project such as a trial, please confirm whether that project has already received ethical approval. If Not Applicable, please indicate this.

---

---

---

## Impact Statement

Please describe the potential impact of your research on policy and practice beyond academia and strategies to achieve it (word limit - 150 words).
